

# LIVING ACTS CHURCH

We as the covenant people of Living Acts Church will commit, by the grace of God, our lives and our families to upholding all of that which follows:

To live as holy and as pure as we are able under the sovereign hand of grace and to be a light for all people in this dark world.

To honor one another and esteem each other greater than ourselves and to put one another's needs before our own.

To submit ourselves to the inspired Word of God as the only infallible, inerrant and sure guide for our being conformed back into the image of Christ.

To place God first in all we do and say and to seek to glorify Him in all things whether publicly or privately.

To pursue Christ as our supreme pleasure.

To submit to the local leadership in as much as they uphold with all sincerity the Word of God in the building up and training of the people of God.

To not divide or try and tear down, but with all our gifts seek to strengthen God's Church.

To serve in God's kingdom, with all diligence as directed by the established leadership of this local body.

To not forsake the assembling of ourselves as we meet together to worship and adore God each Lord's Day.

To fear God and keep His commandments.

To submit ourselves also to the discipline of the Church as part of our being trained and sharpened in our sanctification.

To see each other as part of our very own family and to respect each other as such. We will strive to remove all personal prejudices and conceit as we lovingly make ourselves servants of all according to the instruction and ways of our Lord.

To give cheerfully to the Church as we are so instructed in God's Word.

To use all necessary means to keep our hearts and to help others do the same.
